## Hung Hau Foods' Agricultural Supply Chain - From Farm to Table

Hung Hau Foods builds a sustainable and closed-loop supply chain by sourcing tropical fruits such as durian, mango, dragon fruit, passion fruit, pineapple, banana, and sweet Potatoes directly from certified farms across Vietnam. Our agricultural engineers support farmers throughout the entire cultivation process - from seed selection to harvest - ensuring consistent quality and food safety for export.

Harvested produce is promptly transported to our processing facilities to preserve freshness and nutritional value. By actively managing raw material zones, Hung Hau Foods maintains strict control over input quality while supporting responsible and sustainable local farming. This approach enables us to deliver fresh, frozen, and processed agricultural products to both domestic and international markets.
